Sincere Letter of Appreciation

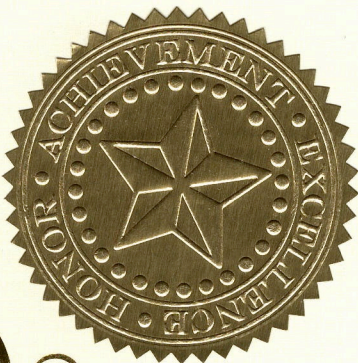

Marie Wright

I would like to express the church, congregation, and my gratitude for your amazing support to the Arts and your generous donations over the last three years. Your above and beyond kindness and support to our congregation as our art benefactor is exceptional and one that will not be forgotten.

Your actions directly impacted TLC by allowing our congregation to artistically prosper by allowing us to enhance the church with a stained glass-like (Plexiglas glass) lighted design. Because of you and many other like minded people, this will allow our resident art professor Fuller Brown to create a design that will be developed with the help of your generosity.

I want you to know that we value your efforts and because of your support we would like to invite you to see the finished art design once it has been completed.

Once again, thank you for your generosity. I look forward to seeing you in the future and we pray that your achievements and successes will be blessed!

Sincerely,
